Raise money for our library by collecting pledges from family and friends for books that you read or have read to you.

Every student who raises \$25 or more will have their name on a bookplate in a new library book! The class with the most participation will celebrate with a collective prize!

## WHAT DO THE FUNDS SUPPORT?

We are so grateful that the JICS library collection and visits from storytellers, authors, and illustrators are 100% funded by the Read-a-Thon and Book Night. We are committed to ensuring that students see themselves represented in the books and visitors that come to the JICS Library!

### Record the books read and the donations collected on the form

A flat donation is also welcome.

Donations will be received by classroom teachers until April 11.
